## THE UK THREE PEAKS CHALLENGE 2012

Weekends of 29th June - 1st July & 27th 29th July

Evolution Outdoors Ltd are very proud to be launching the 5th year of the UK Three Peaks Challenge open events. Over the last five years the team at Evolution Outdoors have facilitated a large number of team members as well as charities in the goal of conquering three of the biggest mountains the UK has to offer in under 24 hrs.

### Who can take part in the UK Three Peaks Event ?

This event is open to everyone from single team members, family and friends, a team from your place of work or from a charity you wish to support. We have had team members of all ages and abilities and 99% of team members complete the challenges in under 24Hrs. With a little bit of training before your event and some good fundraising ideas, the event and fundraising totals are both goals you can complete with great success and the team at Evolution Outdoors are always on hand with help and advice.

#### Payment Option A (for Charity)

Participant event fee - £99  
Minimum sponsorship - £450  
Charity subsidy from sponsorship - £150  
Charity keeps - £300

Places on the event can be booked by a deposit of £50 from the £99 total event fee

#### Payment Option B (for Fun)

Participant event fee - £249  
Team members can raise small amounts for one of the charities we support if they so wish. To do so contact staff for more info

Places on the event can be booked by a deposit of £50 from the £249 total event fee

### What do you get for your event fee ?

- |                                                                                                                                                                         |                                                                                                                                                                                                                                                  |
